

Student House Clearance Service

Moving out and don't know what to do with your unwanted belongings?

Our end-of-tenancy House Clearance Service can help!

All of the items we collect will be taken either directly to one of our 19 shops across the region or to our warehouse for sorting, before re-selling or recycling to generate additional funds towards our work. See overleaf for what we can take.

It's easy to donate. Simply fill the donation bag with your unwanted belongings and leave it in the lounge area of your accommodation for collection. Alternatively, please call **0191 246 8123** or email retailhelpdesk@stoswaldsuk.org to arrange a collection by one of our van drivers.

By donating you're helping St Oswald's Hospice, a leading North East charity, to provide specialist care for children, young people and adults with life limiting conditions.
