Information for patients, carers and families

Quality time for everyone

Your feedback matters

St Oswald's is committed to providing the best quality service we can to our patients, children, families, carers and friends. We are constantly seeking ways to improve the services we offer and your views can help us do this.

This leaflet explains:

- How you can help us by providing your opinion on our services
- How to make a comment, suggestion or compliment
- How to make a formal complaint should you wish to

Patient surveys and focus groups

We regularly carry out patient surveys, as well as focus groups on an occasional basis. This is to ensure we are providing relevant and quality services for patients and to comply with Care Quality Commission Standards (the independent regulator of health and social care services in England).

If you are asked to complete a survey, although it's not compulsory, we would be grateful if you could take the time to give us your honest **feedback and comments**.

Comments, suggestions and compliments

In any service, there is always scope for improvements. Here at St Oswald's, we welcome your feedback and suggestions as to how we could develop our services.

Feedback boxes are located at all reception areas in the Hospice and comment books can be found in our shops.

Alternatively, you can also:

- Complete and send in the cut-out suggestion form at the back of this leaflet
- Email your comments to: patientfeedback@stoswaldsuk.org or supportercare@stoswaldsuk.org
- Complete our enquiries form on the 'contact us' section of our website: www.stoswaldsuk.org

All comments are given consideration and if possible the suggested improvements will be made. We acknowledge all suggestions where contact details have been provided.

If you would like help to get your views heard, you can request the help of an advocate. Ask a member of staff for our leaflet or alternatively contact details for advocates can be found on pages 5 and 6 of this booklet.

Compliments

We welcome all feedback and hearing about how you are happy with the services provided is always a welcome boost to staff and volunteers. All written compliments are shared with the team/s and enable us to continue good working practices.

Duty of Candour

Duty of candour is a statutory regulation which applies to healthcare providers in England. Candour means frankness, openness and honesty.

At St Oswald's we are open and honest with individuals and families about their care and treatment. If something goes wrong, we will explain what has happened, provide support, and apologise. For more information about duty of candour please speak to a member of staff.

Complaints

We hope that you will not have cause for complaint but if you're unhappy with something, then please let a member of staff know.

If you prefer, you can ask a friend, relative or professional advocate to speak for you. We'll always do our best to solve any problems or issues that you might have.

If you are not satisfied with this initial response to your concerns however, a formal complaint can be made and the necessary investigations will be carried out. You are welcome to make your formal complaint in writing or by email. If you require assistance putting your complaint down on paper, please ask.

A written complaint should be made to our Chief Executive using the contact details overleaf.

You can also write to the Care Quality Commission, the independent regulators. They won't be able to investigate your complaint but they will record your feedback. Other services that provide advice about concerns can be found overleaf.

St Oswald's has a formal complaints policy which will be followed in the case of all written complaints. A copy of the policy is available from a member of the nursing team should you wish to see it.

We aim to make a written or email response to you within 20 working days. Should the investigation take longer, we will keep you updated.

Let's keep in touch your way

We want to let you know the difference you're making to families in your area by occasionally sharing news, updates and events we think you'd love. Please let us know your preferred contact method below and remember, choosing email or SMS saves us money and makes your donations go even further.

All Post Email Telephone SMS

Don't want to receive updates from us? Please tick here

We may still need to use your information to process your current order/activity but you'll not receive any further Hospice updates. You can opt back in at any time by emailing supportercare@stoswaldsuk.org or by calling 0191 246 9123.

One last thing! If you choose neither of the options above this time, we'll keep communicating with you in the way you've previously asked us to. If you've not told us before, we might send you communications that we think will interest you based on your previous support of St Oswald's Hospice.

Thank you! Please put this form into one of our feedback boxes located at reception areas, or send it to our address overleaf. All suggestions will be opened by our Communications Team and passed to relevant department/s. You can view our Privacy Policy at www.stoswaldsuk.org/privacy-policy
