# Why does St Oswald's Hospice have a business club?

The Better Together Business Club has been formed to contribute towards the brilliant work of our nursing staff – across every team including adults and children, day care, inpatients and lymphoedema. Collectively your membership fees and the money you raise through fundraising activities during the year will fully cover the costs of two hospice nurses in the first year – what a wonderful thing to be able to do!

At just £20/month plus VAT and with no minimum membership period even the smallest of companies can be involved.

## As a member of the Better Together Business Club you will get:

- A logo on our website with a link to yours
- A custom 'we support hospice nurses' e-mail footer with your company name and logo and ours
